

LIVE UNITED™

FINDING STABILITY IN A CRISIS

Everyday, vulnerable individuals and families in our community struggle to meet their basic needs. A single crisis – like a family losing their home to foreclosure or a mother experiencing domestic violence – sends a family into turmoil, leaving them with little to no means of meeting their basic needs. While this may seem like an experience that disturbs just one person or family at a time, its effects are long-lasting and ripple far into our community.

In these challenging times, it is critical that our community helps meet basic needs – like food, clothing and shelter – of every person in our community. Helping families overcome crisis and meeting their basic needs lays the groundwork for self-sufficiency and works to build an individual's capacity for independence.

Funded by your donations, United Way's Community Fund is helping make sure that programs are in place to help individuals and families in Rochester that are facing emergency or crisis situations.
